

Ultimate Aromatherapy massage

With your chosen aromatherapy oil, your massage therapist will use carefully applied pressure to stimulate the nervous system and Swedish technique to relax you. The evocative aromas will help to balance the mind and carry you away into a moment of bliss.

Recovery

Head, neck and shoulder massage. A blend of deep tissue and sporty massage that releases stress and increased circulation, mobility and recovery.

Couple massage

Share a special moment together with a side by side massage in a private double room for two.

Four hands massage

Enjoy the blissful experience of two therapists working on your body to preform a healing massage.
